Good afternoon!

Please see Dustin's request below, and although I didn't seek clarification from Dustin about this request, I'm certain it is about the executive session item for tonight's discussion. Do you have a standard paragraph that I can send him relative to his request; like an AG opinion?

I appreciate your assistance!

**Subject:** Information Request: Regarding Glade Road

Dear Amy Shelley,

Under the Texas Public Information Act, §6252-17a et seq., I am requesting an opportunity to inspect or obtain copies of public records that show any legal ruling provided by the city attorney or any other legal source regarding how the city would handle future projects regarding Glade Road if the petition turned resolution were to pass in May.

If there are any fees for searching or copying these records, please inform me if the cost. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of what they will be voting on in the upcoming general election. This information is not being sought for commercial purposes.

The Texas Public Information Act requires that you "promptly produce" the

requested records unless, within 10 days, you have sought an Attorney General's Opinion. If you expect a significant delay in responding to this request, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Dustin L. Dangli, Fort Worth Star-Telegram
