Re: Review of Pending Enforcement Action for Nelson J. Thibodeaux and Worthy Lee Williams  
RN109201434; Docket No. 2017-0250-MSW-E; Enforcement Case No. 54027

Dear Mr. Thibodeaux:

On March 20, 2017, the Texas Commission on Environmental Quality ("TCEQ") Enforcement Division informed you of the above-referenced pending enforcement action. This letter is to inform you that the TCEQ has completed its review of this matter. Based on the information currently available, we have determined that formal enforcement action is not warranted against you and Mr. Williams at this time. As such, all of the violations documented in the Notice of Violation letter dated June 30, 2016, the Notice of Enforcement letter dated February 8, 2017, and the Proposed Agreed Order mailed to you on March 20, 2017 are resolved. No further action is required of you regarding these violations. Applicable TCEQ databases will be updated to reflect the resolution of these violations.

We appreciate your cooperation in this matter and should you have any questions, please contact Mr. Jonathan Nguyen of my staff at (512) 239-1661.

Sincerely,

A handwritten signature in blue ink, appearing to read "James Gradney".
